If the faulty covered parts were detected during the Pre-Inspection period, such parts will be excluded from this warranty programme.

Parts will either be repaired or replaced with Used or Reconditioned Parts.

WARRANTY TERMS & CONDITIONS

ELIGIBILITY

RECONDITIONED Vehicle - below the age of 8 years from manufacture year with mileage less than 160,000 km.

USED Vehicle – below the age of 10 years from year of manufacture with mileage less than 200,000 km.

*VALIDITY PERIOD

Warranty service contract valid for 12 months or 30,000 km OR 6 months or 15,000 km, whichever comes first.

*SERVICE MAINTENANCE REQUIREMENTS

Customer under this warranty programme must perform all inspection and services at **Authorised Panel Service Centres**.

Vehicle is required to be serviced every **5,000 km or 3 months** whichever comes first (for vehicles using semi-synthetic lubricants) OR **10,000 km or 6 months**

All service must be **stamped and signed** in warranty service booklet and all Service Bills / Tax Invoices are required to be kept with the warranty service booklet for claim and administration verification.

CLAIMS PROCEDURES

1. Repairs must be performed at the Authorised Repair Workshop.
2. No repairs may be undertaken or commenced under the terms of the Policy without the prior approval by Insurer. All claims must be supported with relevant documentations. Insurer reserves the rights to examine the Vehicle and subject it to independent assessment. The result of the assessment will determine Insurer liability.
 - a. The cost of dismantling of the Vehicle will be paid in the event of a valid claim. However, if upon dismantling it is found that the damage is not within the scope of this warranty, then the cost of dismantling must be borne by you.
 - b. Insurer reserves the rights not to carry out work under the Terms of this Policy if any of the Conditions specified has not been complied with.
3. In the event of a claim, you must present the Vehicle to Authorised Repair Workshop.
 - a. Insurer will require you to complete a Claim Form and may also require other documents such as maintenance servicing invoices as proof of servicing etc.
 - b. Insurer may need you to authorise certain work to Authorised Repair Workshop before commencing any work since workshop cannot ascertain whether the failure is covered by this Warranty Service Booklet without dismantling the Vehicle.
 - c. Parts used in repairing the Vehicle may be manufactured by other than the Vehicle's Manufacturer and will be compatible with the age and condition of the Vehicle.

OUR POLICY CONDITIONS

1. The Vehicle is subject to Mechanical inspection before the coverage is provided under this policy. All the functionality in the Vehicle must meet Insurer's standard requirement. The Mechanical inspection will be carried out by appointed Inspectors. Any faults noted in this pre-acceptance Mechanical Inspection are considered as Pre-Existing and are not covered by this Policy.
2. The Vehicle must be serviced in accordance with the service maintenance requirements highlighted in the Warranty Service Booklet. Failure to meet the service maintenance requirement as per the Warranty Service Booklet will result in the coverage under this Policy to cease automatically with immediate effect and the claims thereafter will be refused.
3. The Warranty Service Booklet will be provided once the Vehicle has completed the Mechanical Inspection which complied with our acceptance standard/ requirement.
4. You shall always keep the Warranty Service Booklet in a safe place. In the event that the Warranty Service Booklet is lost, it is your duty to immediately report to us for issuance of a replacement Warranty Service Booklet. The Warranty Service Booklet information is required in the event of a claim.
5. The service record page in the Warranty Service Booklet must be signed and stamped by the Authorised Service Workshop authenticating that the service has been carried out.
6. You must also retain all documents, invoices etc. relating to the maintenance servicing of Vehicle. This information will be required in the event of a claim.
7. Our period of cover excludes the first 14 days at the commencement of this policy and has no refundable value. The cover provided here is non-transferable.
8. In the event of any conflict between the English version and other versions, the English version shall prevail.

WHAT IS NOT COVERED?

1. Other normal maintenance services and parts including engine tune-up, spark plugs, glow plugs, ignition wires, distributor cap and rotor, carburetor, batteries, hybrid, filters, lubricants or fluids, air conditioning refrigerant, engine coolant, hoses of any description, all types of belts including seat belts, wiper blades, brake pads and shoes, brake rotors and drums, suspension alignment, constant velocity boots, tyres, wheel covers, wheel rims, wheels, wheel balancing, shock absorbers, exhaust system, friction clutch disc and pressure plate and clutch throw out bearing, paints and interior trim, doors and boot locks, keys and remotes, immobilizer, petrol tanks, NGV conversions, radiator and cooling coil, wirings, casings and minor oil leaks, suspension system, rubber mountings and bushings.
2. Body panels, paint and interior trim, petrol tanks, glass, glass framework, and fastening adhesives, sealed beam lamps, light bulbs, lenses, trim, moldings, bright metal, upholstery, vinyl and convertible tops, paint, sheet metal, bumpers, alignment of body parts, flexible body parts, door panels, body panels, structural framework, structural welds, hinges, door handles, and removable hardtop assemblies.
3. Any Mechanical Failure or costs covered by any other warranty, entitlement or recall campaign including any Manufacturer, dealer, and/or statutory warranty and/or repairers guarantee.
4. Maintenance Service and Parts described under maintenance requirements as shown in the Warranty Service Contract or in the Manufacturer's maintenance schedule.
5. Any Mechanical Failure caused by detonation, and/or failure caused by poor quality fuel or the incorrect grade of fuel.
6. Failure caused by corrosion, electrolysis or rust.
7. Any tapings, treads, and/or fixing and fastening devices.
8. Diagnostic costs, unless accepted as part of an authorised claim.
9. Any Mechanical Failure attributable to any modification made to the Insured's Vehicle, unless such modification has been endorsed by the Vehicle Manufacturer. Modified components must be disclosed by the Insured before the Date of Commencement stated in the Warranty Service Contract Certificate.
10. Any maintenance, adjustment, upgrade, modification, and/or reprogramming required to any Covered Component.
11. The cleaning of any component, including the removal of any carbon or sludge.
12. While the Vehicle is used for racing, competitions, rallies, motor sporting events or of a purpose for which it is not licensed.
13. Damage resulting from loading beyond the specified Vehicle weight rating or losses that would be covered under a Motor Insurance Policy.

14. Damage resulting from accident, fire, or other casualty that would be covered under a Motor Insurance Policy.
15. Not serviced in accordance with the Service Requirement of the Manufacturer, abuse or the continued use of the Vehicle after a fault has become evident.
16. Pre-Existing defect (s) or damage (s) in existence prior to the commencement of this Policy or claims where the fault causing the Mechanical & Electrical Breakdown was evident prior to the expiry of the Manufacturer's Warranty.
17. Accessories or equipment, components and systems not installed by the Manufacturer, including but not limited to: anti-theft systems, radar detectors, CD, radios, radio/speaker equipment, cruise control, sun roof, solar powered devices, telephones, TV/VCR/DVD, TV monitors, reverse cameras and related components and appliances.
18. The Policy will cease to operate and no claims will be paid if the Vehicle:
 - 18.1 Is being or has been used or tested in preparation for or participation in any form of motor sport.
 - 18.2 Is being used outside Malaysia.
 - 18.3 Is being used for a purpose for which it was not designed.
 - 18.4 Has not been serviced in accordance with the Terms and Conditions stated in this Policy Schedule / Warranty Service Booklet.
 - 18.5 Is being used for courier purposes.
 - 18.6 Is un-roadworthy or unregistered.
 - 18.7 Has had the Manufacturer's Warranty cancelled or voided.
 - 18.8 Is being used for reliability trial, speed-testing and/or carriage of goods (that is trailers, tankers, etc.)
 - 18.9 Misrepresentation – this policy is voidable if the Vehicle owner and/or the Programmes Carrier fails to disclose or misrepresent any material fact.
